

# SWEDISH CRAFT DRINKS & SOMETHING TO EAT BRYGGAN 2018

Please order at the Bar.

## **THE SWEDISH BEVERAGE WORLD IS BUZZING!**

*Welcome to Spritmuseum's outdoor bar! Here you can taste beverages from some 50 Swedish craft distillers, brewers and winemakers. Not to mention Spritmuseum's homemade non-alcoholic thirst-quenchers: tonic, kombucha, shrub, and fermented soft drinks.*

### **FOOD**

Menus are developed by Petter Nilsson and his team. They are seasonal, with everything coming from local producers. Together with our suppliers, we do our best to spare the environment and maintain a healthy relationship with the earth.

### **ENCOUNTERS**

Meet brewers, distillers and chefs at our summer pop-up events. For details, visit [spritmuseum.se](http://spritmuseum.se) and our Facebook page.

### **DESIGN**

Artist Karl Grandin and interior designer Kristoffer Sundin designed this year's outdoor bar. At the end of the season, parts of the handpainted furnishings will be sold at auction.
